## General & Introductory Training Webinar

### Participating in European Mission “Adaptation to Climate Change (2023 Calls)”

9 May 2023

We have the honour to invite you to our **General & Introductory training Webinar** namely “Participating in European Mission: Adaptation to Climate Change” organized by TÜBİTAK, under the “Turkey in Horizon 2020 Phase II” Technical Assistance Project co-financed by the EU and the Republic of Türkiye and implemented by the Republic of Türkiye Ministry of Industry and Technology within the scope of Competitive Sectors Programme.

This webinar dedicating on how to support potential beneficiaries to participate in the open 2023 calls for the mission “Adaptation to Climate Change” will be organised on 9<sup>th</sup> May from 13:00 till 17:00 Istanbul time.

The event is targeting researchers, innovators, local authorities and communities involved in climate change adaptation activities and other related actors that are interested in learning how to get involved successfully in proposals under the Adaptation to Climate Change Mission.

The learning objectives of the event are the following:

- The key elements for success in Mission Calls;
- Awareness of the expected profiles of winning projects under Mission “Adaptation to Climate Change”;
- Collaboration opportunities through the European Mission Network project namely TRAMI project (<https://www.trami5missions.eu/>);
- Familiarization with the profile types needed for partnerships in Mission: Adaptation to Climate Change;
- The Intelligence behind each of the current 2023 calls of Mission: Adaptation to Climate Change.

**Registration:** <https://docs.google.com/forms/d/1uIdhlm1Zg549QRRHJZs5R8x9YGZlhlA434s53wDqo>

Only registered participants will be allowed to participate in the event.

For more information, please contact to Project Management team, at [k.gungor@idi.ie](mailto:k.gungor@idi.ie); and [s.dogruso@idi.ie](mailto:s.dogruso@idi.ie).

**We hope to see you at our event!**
